POLIO UPDATE

By Nelson R. Maler

Pakistan is clearly holding its own, but Afghanistan remains a “problem” area for us despite massive campaigns there with ten million children immunized in August. The Kandahar province is still a very difficult area to effectively immunize. The Global Polio Eradication Initiative is studying the entire process of immunization from top to bottom in Afghanistan to hopefully identify any possible systemic shortcomings. This fight is hard, but we are fully dedicated to concluding it with the complete eradication of polio.

GUESTS ARE KEY TO MEMBERSHIP

By Michele Kellison

Guests = More people that know Rotary's story

Guests = Potential Rotarians

Guests are a great source of potential members for your club. Look around your club. Are there guests at all of your meetings? If you are not attracting guests, you probably need to look at your club and determine why your club members are not sharing Rotary with

their friends, family and business associates. The answer could be they simply don't know how to bring a guest or even that they can bring a guest. The answer could be the cost of the meal is a barrier to bringing guests. The answer could be the club has no value to them and they see no reason to share it. Whatever the answer to the question is; there is a solution.

SUTHERLIN ROTARIANS SUCCESSFULLY SUPPORT EDUCATION

By Dorothy Hosking Huntley

Rotary Club of Sutherlin makes a significant impact with \$13,000 in scholarship funds sent to colleges this month for the recurring Rotary scholarship applicants, and \$19,000 sent to SHS and OHS for the 2018 graduating applicants to be forwarded to their colleges of choice.
