USING FACEBOOK TO ENGAGE MEMBERSHIP

By Michele Kellison

Part of the secret of having a happy and engaged club is communication. One way to communicate to your members and the outside world is through Facebook. Ask a teenager and they will tell you Facebook is for their parents ... Well, guess what? That is you and your fellow Rotarians! If your club does not have a Facebook presence, look at creating one. You can do this by creating a Facebook Group for your club

and then encourage members to post photos.

10,000 DIAPER DONATION BY ROSEBURG MORNING

By Jerold Cochran

One of the Roseburg Morning Rotary Club projects over the years has been to supply diapers for the Family Development Center in Roseburg. In previous years, between 5000 and 7000 diapers have been purchased and delivered. This year over 10,000 diapers have been purchased to be delivered next week. The Family Development Center provides therapy and training to "Families in Crisis" and is wonderful asset to Douglas County. In recent years the high unemployment levels in this county have generated an increasing number of families who are in need of their services. It is a pleasure for our club to help meet their need
