Join the Voices of Rotary Team

By Daniel Smith on Tuesday, January 26, 2021

??We are Field Podcasters, trained to go out and collect the stories of extraordinary people doing extraordinary things. People dedicated to helping people.

What happens when your club goes out to feed families in Nigeria, put solar panels on homes in the Navajo Nation, build stoves and clean water in Guatemala? You do the work. Your club, family and friends hear about it. You submit a report and that ♦s it. What ♦s missing?

What ♦s missing is the rest of us. What ♦s missing is your opportunity to build trust, share the heart and soul of all the people involved. To let us experience the sounds, the feelings and the depth of emotion ♦ good and bad. The joys, the sorrows, the success and the challenges.

We want you to take us along with you on your journey - please. This course is designed to do just that. To give you the tools, the training and confidence to grab your mic, step out that door and share the wonders of your journey.

You have a story to tell and the world needs to hear it. Take a look at the [sample courses](#), and consider joining the Voices of Rotary Field Podcaster Team. The final deadline for application is January 31.

Thank you very much,
Dan

By Cynthia O'Neil on Monday, January 25, 2021

??District 5110 Rotarians have collectively put 220 families that lost their homes, work tools, and business establishments in the September wildfires back to work. Occupations ranging from carpentry, home remodel, landscaping, forestry, house cleaning, auto repair, electrical services, hardware stores, and more were re-tooled so that families could return to work to support their families.

Two District Fire Relief Funds have been established to collect and administer relief where most needed throughout Oregon: the D5110 Fire Relief Fund and the United

Rotary Clubs of Southern Oregon Fire Relief Fund.
