We have 100 Golden paddles, which means 100% profit for our club. When you win you will receive \$2000 towards a credit of one live auction.

Sell advertising - \$100. Let Milagros know if you are interested.

You can also give cash to the following if you can't get on the Internet or don't want to buy on-line: Bill Dodson, Christine Schieberl, Milagros Ott, Janet Coddling. On-line is extremely safe.

Happy Birthday to: Tarina, John & Marv.

Tarina: Next week we honor our heroes after the devastating fires. Please all attend & help us to honor these people who were chosen by their peers for this honor.
