## Maui Fire Fund

By Tina Etcheverry

Our hearts are with the people of Maui who have lost their homes, their businesses, and their loved ones. This raging wildfire has been devastating. The Hawaiian Rotary District 5000 has set up a Create Hope Fund to manage and distribute funds to those in greatest need, especially as they recover and rebuild their communities.

## Berkeley Board Notes--July

By Helena Meyer-Knapp

The Club and Endowment Boards meet once a month on the third Wednesday on Zoom. The Club Board meets at 4:00 PM; the Endowment Board at 5:00 PM (approximately). These meetings are open to everyone, whether you simply want to observe or have an issue to raise. Contact Libby for the Zoom link and you will be warmly welcomed.

Next Meeting: August 16

Grier Graff does the official minutes for both groups. I, your incoming (and still learning) secretary, will be writing more informal notes for e-Rev once a month.

## Inside Berkeley's Public Health Division

By Ilya Khanykov

Berkeley is one of only three cities in California that have their own public health departments, and that results in a more targeted allocation of resources, as

we learned last week from a presentation given by Janice Chin, Director of the City of Berkeley Public Health Division, on the "Public Health Issues and Programs in the City of Berkeley." She gave an overview of the division's goals, achievements, future partnerships, and the main program areas it focuses

on. Dr. Chin also pointed out the opportunities where Rotary could help by disseminating information about the various initiatives and programs of the division, as well as by extending internship, apprenticeship, and mentorship opportunities to their various youth-related programs.
