## Happy Halloween from a Special Friend

By Joan Collignon

Bishop Rotarian Pat Brown ushered in Halloween for our Zoom audience last week with close-up looks at Cindi, her rescued bat.

Pat, a Bat Biologist, is a certified bat rescuer, who fosters animals unable to survive in the wild. Not at all scary!

## Meet New Club Members George and Fred

By Frederick C. Collignon

Two new club members were inducted at the September 26 meeting, bringing special expertise and enthusiasm to the club.

### George Fruehan

George Fruehan has been active in community service throughout his career and even more so since retirement. He has been a Board member of Berkeley Food and Housing, provides free counsel to the elderly in preparing taxes during tax season, and tutors in reading to youth weekly in Richmond and San Pablo schools. He is joining Rotary to enjoy new and expanded service and social opportunities. As one club member put it: "Fred has been a Rotarian for years; he just didn't know it!"

### Fred Tabsharani

Fred Tabsharani is a former member of the Berkeley Rotary Club in the 1990s, and then a member of the Alamo Rotary where he was an active and valued participant and earned his first Paul Harris Fellowship. Over the course of Fred's 20-year career in technology, he's managed global marketing operations for an email infrastructure company and successfully launched and sold two startups. He's written over 400 blog posts garnering more than 2.5M views on highly authoritative domains such as CircleID. [Read More](#)

## Addressing the Current Club Financial

By Joan Collignon

As I explained at last week's meeting, the club is experiencing a shortfall of up to \$200 a week due to our reduced in-person attendance. We are not covering our room rental. The Board met on October 19 to address this situation.

We voted to implement a voluntary \$10 per meeting fee for those attending the meeting on Zoom. This would be on the honor system, payable weekly, monthly, or quarterly, by Venmo (to Berkeley-RotaryClub) or by a check made out to Berkeley Rotary Club, mailed to the club at 2342 Shattuck Ave. #101, Berkeley, CA 94704.

[Visit Berkeley](#)

By John J. O'Dea

The speaker for the October 26 meeting was Jeffrey Church, who is the Visitor & Partner Services Manager for Visit Berkeley, a destination marketing organization (or DMO) that promotes all things Berkeley and provides information and assistance to the city's visitors. This is one of a group of private, not-for-profit 501c(6) organizations in Berkeley, like the Downtown Berkeley Association and the Telegraph Business Improvement District. Visit Berkeley is funded by 1% of the city's Transient Occupancy Tax.

## Preserving Berkeley's History

By Marta Laupa

# BERKELEY HISTORICAL SOCIETY

What do California cuisine, the jacuzzi, the Cyclotron and the Sierra Club all have in common? They all started in Berkeley! You can learn about these things and many more at the Berkeley Historical Society and Museum. Ann Harlow, President of the BHSM, spoke to us about all things Berkeley on October 19.

The BHSM was founded (as the Berkeley Historical Society) in 1978 and currently resides in the Veterans Memorial Building at 1931 Center Street. It features archives with, among other things, historical yearbooks, maps, and newspapers; a Berkeley timeline; oral history interviews; photos, and a bookstore. It also offers walking tours of Berkeley. Members receive a newsletter and BHSM discounts.
