Thank you, thank you, thank you for your assistance in making calls for the annual ORE fundraiser and campaign!

Your reason for making these calls:

- 1) Request participation in
 - a) the annual ORE giving campaign (a personal gift to ORE of any size) **and**
 - b) sponsor or attend the annual fundraising event on April 10, 6 pm at 1111 Broadway (lobby of the office tower)
- 2) Our goal for the annual fundraising event is to net \$140,000, an increase over last year's record-breaking special event.
- 3) A healthy Oakland Rotary Endowment means a healthy Rotary Club of Oakland. Individual gifts and a revenue producing fundraising event helps to fund our operations and programs.
- 4) Funds from the annual fundraising event support the budget of next year's club president, Joe Goralka.
- 5) The levels of sponsorship and corresponding benefits and recognition are noted in the table above. The fair market value (FMV) represents the approximate cost of each ticket/seat at this time. This cost may go down or increase slightly, based on the price of food and beverages, and each sponsor or ticket holder will receive an acknowledgement letter with final value of their donation by June 30, 2024.
