**6060 GSE Team  
Member Rodney Kline,  
Tony Girling of the  
Helston Lizard Rotary  
Club and local  
fisherman/artist from  
Cadwith Cove.  
Rodney and Mike Lindeau  
helped the fisherman  
get his boat up on  
shore and unload it's  
take of crab.  
During our month-long  
stay in Cornwall and  
west Devon we met and  
talked with people  
from all walks of life;  
from fishermen to Lords.**

**The Minack Theatre is one of the many unique and interesting places we saw in District 1290. It was literally carved into the cliffs at ocean's edge by a woman that devoted her life to the endeavor. Team left to right: Mike Lindeau, Linda Puchbauer, Dan Cotner, Rodney Kline, and Donna Bruns.**

**St. Michael's Mount, located in Mounts Bay near Penzance, is another place we visited. Lord and Lady St. Levan participated in portions of our tour of the castle and grounds.**

**Eric and Rita Trotman (left) were one of the host families on our visit to the Isles of Scilly. Members of the Isles of Scilly Club, they own a bed and**

breakfast on St. Mary's Island. This picture shows a Bronze Age site on the north end of the island.
