

Rotary International District 6200 Governor's Cup Award

*One aspect of Rotary that sets it apart from other service organizations is the personal involvement of Rotarians in serving others and improving our world. The **Governor's Cup Award** was created and designed to recognize a District 6200 Rotarian for the outstanding contributions he or she makes to the world, the nation, the community, RI District 6200, and the Rotary Club through their exemplary Rotary service which helps to make the world and the community a better place to live and work.*

Rotary District 6200 is proud of its Governor's Cup Award recipients. Since it was created in 2003, the following Rotarians have been received the Governor's Cup Award.
