### **Rotary International – Avenues of Service Award**

*Recognizing that the strength of the Rotary ideal is founded on the service carried out by its members worldwide, Districts can nominate a member who has performed service in all five Avenues of Service for the **Rotary International Avenues of Service Award** from Rotary International. The award recognizes the service carried out by an individual Rotarian, thereby reinforcing the importance which Rotary places on the personal involvement of each Rotarian in Rotary service activities.*
