

Rotary International President Gordon McInally's

Vision in a "Nutshell"

Create the Opportunity

To Engage - your club members and your community

To Embrace - the future of change and opportunity

For Continuity - in Community service every year through consistent reliable programing

For Peace - by promoting peace through programs and practice

For Polio eradication - keeping our promise

For Mental Health - helping each other and our communities deal with our own internal struggles, and ending the stigma associated with asking for help.

Overall – Create Hope in the World
