

AG Club Ratings

AGs can add comments regarding the progress of assigned club throughout the year and need to provide a rating to the club by the end of June each year. These ratings are then reviewed by the District Governor who will lock in the report at years end.

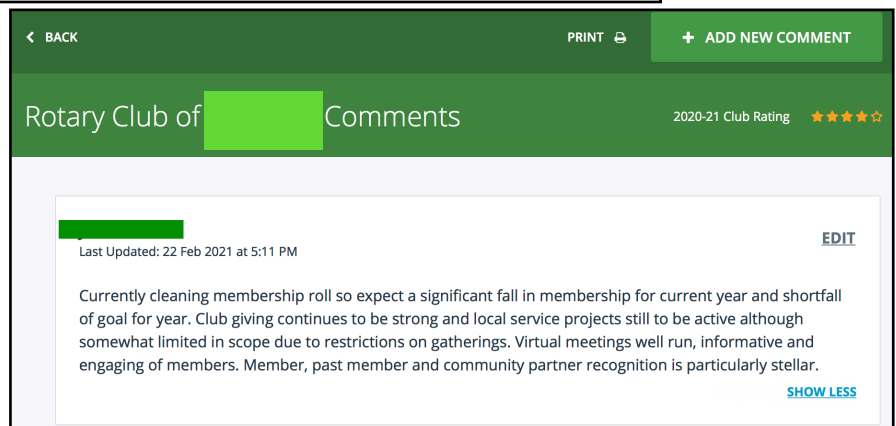

1. Once in the Goal Center, AGs will see Club Ratings prompt in the left sidebar.

2. Club Ratings will take you to a list of clubs to which you are assigned, reflecting the rating last Rotary year and this year's. It also provides for the AG to comment on the club and check off if the Governor visit has been completed.
