## PEOPLE OF ACTION

Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our clubs offer opportunities for members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, members learn about the issues facing our communities and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

## MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

- **Life Pumps** — We provide clean drinking water to families in Haiti.
- **My Very Own Blanket** — We give comfort to children in foster care.
- **H2O to Go** — We support communities healing from natural disasters.
- **Ending polio** — We team up with global partners to eradicate polio.

## GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit one of the clubs in our district to find out more about us and opportunities to get involved.

Our members have found that it's a truly rewarding experience.

The times that I have felt my deepest emotional connection to Rotary have come from service projects.
