PROGRAM

President **Barb Quackenbush** conducted a feedback session designed to help our club leadership make informed decisions around the activities and finances of the club.

Five questions were considered and discussed at each table with members submitting written suggestions for future consideration.

The five questions were:

- ① Share your thoughts on how we can incorporate more networking into our meetings and how we might use technology, specifically an app, to facilitate paying dues and making donations.
- ② How might we incorporate the salary for a club assistant into our budget?
- ③ Share your ideas on how we can improve the lives of special needs children in Newark and Licking County and how the Newark Rotary Club can help in moving the ideas forward.
- ④ What is the role of the Newark Rotary Club Foundation?
- ⑤ Should fundraising have a purpose and does the plan align with those purposes?

THOUGHT OF THE WEEK

"Life is a journey, and you are where you are today because of the decisions you have made. Situations arose, circumstances happened, events occurred...and you made the decisions about how to respond. It is those decisions that have brought you to where you are today." – Tim Kight
