The Four Way Test

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

Mark Johnson's MINDSIGHT was phenomenal. Mark is a native of Atlanta Georgia, lives in Smyrna and is a member of the Buckhead Rotary Club. Mark's demonstrations were not only unexplainable but mind blowing. The message of his presentation was you don't have to believe, only believe it is possible. Mark applies this to his own life and believes that each of us can accomplish whatever we set out to as long as we believe that it is possible. How did he know Patricia's elementary school teacher's name was Mrs. Robinsor 😊
