What is the Rotary Club of College Park?

The Rotary Club of College Park offers the opportunity to connect with over 1.2 million others who share a commitment to improving their communities and the world. Our club is one of 33,000 Rotary Clubs in over 200 countries. Internationally, the club sponsors programs that include eradicating polio, building schools in Africa, and providing healthcare in Latin America.

Through meetings, social events and community projects, our members find opportunities to serve using their business and professional knowledge to address important social problems. If this describes you, please join us in serving together while creating lifelong friendships and business relationships. Becoming a member of the Rotary Club of College Park enables you to join with your community's leaders, neighbors, and business associates to make an impact both in College Park and across the world.

We offer dozens of ways to join others who share a passion to put Service Above Self, and who seek to practice Rotary's Four Way Test in their daily lives.

Of the things we think, say, or do,

- 1. Is it the truth?**
- 2. Is it fair to all concerned?**
- 3. Does it build good will and better friendships?**
- 4. Will it be beneficial to all concerned?**

The Rotary Club of College Park Foundation, Inc. is a 501 (c) (3) non-profit corporation formed to support the charities and programs in College Park and Orlando.

We invite you to visit our club and learn about us and the opportunities we offer you to get involved in serving College Park through fellowship and service. The Rotary Club of College Park meets every Thursday morning at 7:30am at the Historic Dubsdread Ballroom – 549 West Par Street, Orlando, FL 32804.
