

Corporate Membership Program

Now is the time for your company to provide your rising professionals an opportunity to engage with the Winter Park community by providing them with membership in The Rotary Club of Winter Park which has served our community for over 70 years.

The Rotary Club of Winter Park Corporate Membership Program is a simple, economical way for your team to engage with our community. Meeting every Monday at noon, business professionals gather to learn about Winter Park's and Central Florida's many unique aspects through our weekly Rotary Programs. We also enjoy lunch and the fellowship for which Rotary is known worldwide.

Our Corporate Membership Program provides your rising professionals an opportunity to connect with community professionals from business, philanthropic, charitable, and local government. It is a wonderful way to invest in our community and provide community service, leadership, and development opportunities for our rising leaders.

We unite individuals of various ages and experience levels with diverse personal and professional backgrounds to build better leaders and citizens for a better Winter Park. Your rising professionals can become engaged in leadership in club initiatives, committees and events designed to help our community.

- (2) Is it FAIR to all concerned?
- (3) Will it build GOODWILL and better friendships?
- (4) Will it be BENEFICIAL to all concerned?

How We Serve Our Community and the World
