

Fast Pitch Application

Applications due: September 20, 2023

Fast Pitch Lunch: October 4, 2023

Attention Non-Profits!

Do you have a project that needs some funding and volunteer support?

Fast Pitch it to the Rotary Club of Fort Lauderdale!

Welcome to the Rotary Club of Fort Lauderdale's Inaugural Fast Pitch Competition where local non-profits vie for \$2,000 in funding and volunteer support.

Local non-profits apply to the Rotary Club of Fort Lauderdale ("Club") with a service project to benefit their organization. The Fast Pitch committee will choose three projects from the applications to make their pitch to the Club. Each presenter will have 10 minutes to pitch their cause to the Club's membership followed by 5 minutes of Q & A. The winning organization will receive \$2,000 to be used solely for the pitched project and the volunteer support of Club members to execute the project. The runners up will receive \$1,000 each.

Service Project Requirements

- The project must be primarily in Broward County (and surrounding area as determined by the Club and the Committee, in their sole discretion).
- The project must allow Club members to participate as volunteers. It could be multiple volunteer opportunities, recurring/ongoing service, or a one-time volunteer event.
- Project must be fully completed by May 31, 2024.
- The project does not have to require the full use of the \$2,000. The goal is to positively impact your community and involve and engage the Club's members with your organization.
- Service project categories are open. Projects to benefit, youth, elderly, homelessness, environmental concerns, etc. are all invited to apply.
- Make the pitch informative and fun!
