

Volunteering at JA BizTown & JA Finance Park

With the JA BizTown Program every 5th grade student participates in a series of classroom lessons, where they learn about applying for jobs, voting, career opportunities, customer service, paychecks, savings and more. Then, they put their knowledge to work at JA BizTown, where they operate a simulated economy and run businesses. Students get hands-on experience at being citizens, consumers, employees and business owners.

With the JA Finance Park program students build a foundation for making lifelong personal-finance decisions. It consists of curriculum that teaches them about finances, careers, income, expenses, savings and credit, while helping students recognize that their education decisions affect their career options and have an impact on their potential income and quality of life. At the end of the curriculum instruction, students participate in an on-site simulation and put what they learned into action by managing a real world inspired personal budget based on local careers in a simulated city.

Volunteers are needed to help guide students in a specific storefront during their on-site simulation. The time commitment is approximately five hours but may vary per school schedule. Start time is between 8:00 am - 9:30 am and the first 60 minutes of the day includes a thorough training session. Registration and background check are necessary.

Tips For Your Visit Day:

- All volunteers must arrive at JA World at the time stated on the schedule.
- Volunteers should bring a bagged lunch and snacks for the day. There are no vending machines or facilities to purchase food. Microwaves are not available on the premises.
- Volunteers should wear comfortable shoes.
- Volunteers recruited through the school must complete the school's volunteer security clearance (Raptor System).
- Volunteers recruited through Junior Achievement must go through a background check.
- Students must return to school on the school bus. Parents will not be permitted to take students home from JA World unless authorized by the school's administration.
- Junior Achievement and Broward College are smoke-free environments.
