

WHY JOIN ROTARY?

MAKE A DIFFERENCE

Rotary is more than a service club – it's a worldwide network of people who believe in helping others. Since 1922, the Rotary Club of Fort Lauderdale has passionately given back to our local community. As people of action, we make lasting change every year by awarding scholarships, helping the un-homed, providing joy and adventure for children with illnesses and disabilities, and so much more. Rotarians also lend a hand globally through initiatives including clean water projects, building critical infrastructure, disaster relief, and the fight to end polio. Rotary is even more than that. It's a place in our hearts, a circle of friendship, and a way to pay it forward.

EXPAND YOUR WORLD

With 45,000 clubs and 1.2 million members worldwide, Rotary is truly global and a chance to be part of something bigger than yourself. Wherever you travel, you can visit a local Rotary club as a warmly welcomed friend. And, you can join one of Rotary's hands-on international humanitarian projects around the world in host countries such as Guatemala, India, and Kenya.

BE INSPIRED

At Rotary, you'll hear from community leaders, innovators, and change-makers who share their experience and spark new ideas. You'll discover what's happening in your own backyard while uncovering volunteer opportunities, charity initiatives, and programs you might never have known existed. And, you can create your own.

GROW PERSONALLY AND PROFESSIONALLY

Rotary can help grow and stretch your leadership skills. When you choose to spearhead a project, you'll develop more confidence, stronger leadership, and leveled-up teamwork skills that can carry into your life and career.

BUILD LASTING FRIENDSHIPS

Rotary brings people together as members form genuine friendships that often last a lifetime. Our meetings, service projects, and social gatherings are great ways to connect with others who share humanitarian values and a passion for service.

CONNECT THROUGH FUN AND FELLOWSHIP

Social events and family activities are part of Rotary but the club offers nearly endless ways to enjoy making a difference. We offer informal fellowships to connect people with shared interests such as hiking, wine, writing, and music, to name a few. And, you can attend our annual Rotary International Convention, an energizing mix of inspiration, learning, and global fellowship where thousands of members from around the world gather in an exciting new host city each year.

This is but a glimpse of all that Rotary offers.
