

Dear Fellow Rotarian,

The board has decided that all future meetings will be on Tuesday morning. After 6 weeks it clear that the morning/evening alternate schedule did not impact the club in a positive way. Therefore, we will be returning to a Tuesday morning schedule. If there is a 5th Tuesday in a month we will schedule a social event that week.

The board also discussed the need for a consistent speaker rotation during our meetings. They felt that one major problem in recovering from the pandemic and zoom meetings is that we've lost the "family" feeling we had and loved. So we've decided to have speakers for every meeting. Putting that together is too much for one person, **so the board**, upon the recommendation of some veteran members, **decided that each member will be responsible for a weekly speaker. We will begin the schedule at our November 2nd meeting. We will go in alphabetical order using the member's last name alphabetical. That means that Billy Atkins is first up, Jeff Bailey is Nov 9 and Tom Bloom is Nov. 16.** The list will be a schedule of our entire roster and the date you are responsible for along with your cell phone. If you are unable to secure a speaker for your assigned week, it is your responsibility to reach out to a member and agree to switch dates. Again, we will start this plan the week of November 2nd.

Our meetings will begin at 7:40 am sharp, my portion of the meeting will conclude at 8:00am, at which point the member will introduce the speaker. If you can't attend, then get another member to introduce your speaker. The speaker will conclude their presentation, allowing for a Q&A , ending by 8:25am. 50/50, then adjourn at 8:30am.

There is a speaker information form on the website. Go to the website and open documents and the form is the first one listed. You don't necessarily need to use the form, but it can give you what you need for your 1-2 minute introduction as well as what visual aids you need to have Kevin have ready for the speaker.

When you have a speaker, please email me at drdave4@comcast.net with the name and topic. Do that 2 weeks in advance and I'll forward to Kevin. Let me add, that for some reason (death or illness of member responsible for speaker) if we don't have a speaker we will not shift to the person in charge of getting a speaker the following week. The schedule attached will remain as is.

Also, the person in charge of getting a speaker cannot fill in themselves. We may use members as speakers on rare occasions, but I will select those in emergency situations. Also not that politics and religion cannot be topics. We can have politicians or ministers as speakers, but they'll have to have another topic. One more thing. There will be no zoom speakers and no zoom speaker introductions. Finally, Pokey will be posting the list and this letter under Documents on the website.

You are the best,

Dr.Dave
