District Grants-Basic Education & Literacy

Wednesday, August 21,
2019

By Tiffany Ervin

These are a few of the grants that have been approved for DDF (District Designated Funds) this year in our district in the category of Basic Education & Literacy:

Black Mountain Rotarians will assist Owen High School students and faculty develop an outdoor environmental research station, which will teach the students the benefits of sustainability, by restoring a grass lawn to a natural, wild landscape. This will require a modest amount of furniture so that the students can work outside in the center, and native trees and plants. A special emphasis will be on pollinator plants. DDF funding: \$800

Highlands Mountaintop Rotarians will sponsor Bio Blast, where volunteers of all ages find plants and animals in certain areas and catalogue them by photographs and artist's renditions. The purpose is to find as many different varieties as possible to see what is in these places now. In the future, changes in the populations can indicate changes in the environment. Highlands is unique because of its' Biological Station staffed with experts and one of the most bio-diverse areas

Rotarian Spotlight-AG Neil St. Clair

The next installment of Rotarian Spotlight features an Assistant Rotary Club of Madison County.

Tell Your Club's Rotary Story

It's important to have a good handle on PI and
public relations

Rotary Club Public Image

We all do good things for our communities, but we keep them to ourselves.

We need to tell people what we do

- Encourages people to “think and act” service.
- Gives people a focus for their service activity, i.e., more volunteers.
- May attract donations and support for your projects.
- Attracts membership interest in your club.
- Promotes the idea of “Service Above Self.”

Rotary Club Public Image

Who's Responsible for your Club's Public Image?

Rotary Club Public Image

- EVERYONE
- PI Chair – Every club needs one.
 - Planning and Communication
 - Single Point of Contact
 - Collaboration – every committee chair should be talking to the PI chair regularly.
- Form a committee
- Make a plan

Rotary Club Public Image

Make a Plan

- What are you trying to accomplish?
- What method will you use to accomplish.
- What projects or activities will be highlighted
- Timetable
- Budget

Rotary Club Public Image

At a minimum

- Keep Facebook and website up to date
- Advertise upcoming events
- Create a club brochure
- Send press releases to local news outlets

PRESS RELEASE

Bailey's Crossroads Rotary Club (BXRC) donates \$40,000 to local food banks

Bailey's Crossroads, Virginia (5/22/2020) —

The BXRC board of directors has approved more than \$40,000 to address food insecurity due to the Covid-19 virus in the Bailey's Crossroads area of Fairfax County between now and June 30. Most of the funds are used to purchase food from local supermarkets for delivery to food pantries at the Annandale Christian Community for Action – ACCA and the Dar Al-Hijrah Islamic Center in Falls Church.

Cash donations will be made to the food pantries of St. Anthony of Padua Catholic Church in Falls Church and Columbia Baptist Church in Bailey's Crossroads.

Additional funding has been allocated for food packaging events which will deliver thousands of packaged meals to local pantries.

In order to raise the funds needed to donate to our various local and international charities each year we raffle off a classic (1964-66) Ford Mustang convertible. Last year BXRC raised more than \$100,000. Because of the Coronavirus pandemic, we have cancelled this year's raffle and are using existing funds to help our local community feed its most vulnerable population.

I can provide times and places for food pickup and delivery or put you in contact with members of the club who are organizing this effort.
