

Rotary Youth Exchange is back!

As you know, the Rotary youth student exchanges were suspended during the pandemic. However, during this period, District 7610 leadership has continued to maintain its close relationship with our youth exchange partners, namely: the Eastern States Student Exchange (ESSEX) and the North American Youth Exchange Network (NAYEN). We are, now, ready to start the next student exchange process and are soliciting your help and involvement!

There are two types of exchanges: **Long-Term Student Exchanges** involve living abroad and completing a year of high school, in a host country. **The Short-Term Student Exchanges** can be from several days to several months long and are conducted during summer school breaks.

This year, applications for exchanges must be completed by **February 5th, 2021** and students can expect to be notified of their country assignments by **March 1, 2021**. During the period-of-time--starting when the students are selected for the program and when they depart to their host country, District 7610 Rotary Youth Exchange (RYE) leadership / staff will support students and families--to complete their applications and provide training and orientation.

#### **2021-2022 Schedule for Rotary Youth Exchange (RYE) Applicant Processing:**

Prospective Outbound Youth Exchange Students should view the ESSEX website: <https://www.exchangestudent.org> and continue to visit this site as it is updated, periodically with current information.

Additionally, should you have specific questions, please contact RYE Senior Advisor Phil Rusciollelli [pbrusciollelli@aol.com](mailto:pbrusciollelli@aol.com) and/or RYE Chair Roya Khan [sidiqueaw@gmail.com](mailto:sidiqueaw@gmail.com) They will communicate, direct, and coordinate all questions--with other key RYE position-holders. The North American Youth Exchange Network (NAYEN) is, yet, another source of information: <https://nayen.org>

Concurrently, we are looking for host families, in Northern Virginia. If you (or someone you know) has an interest in hosting an exchange student—simply contact Phil Rusciollelli and/or Roya Khan (above-mentioned e-mails, refer). District 7610 RYE leadership / staff will, also, be contacting previous host families, schools and clubs--that participated in student exchanges, that is, before the pandemic. We look forward to hearing from YOU! Thanks in advance.
