

MESSAGE FROM DG - RENÉ LAWS

Dear Rotary Members,

We are offering numerous training and information sessions for the District over the next several months - let me highlight 2 that are coming up.

STRATEGIC PLANNING: The District is updating its strategic plan and looking for input from our Clubs. This is your opportunity to help identify the District's strengths, weaknesses, and opportunities to update its strategic plan based on the RI Action Plan. Four (4) Strategic Planning Listening Sessions are being scheduled on different dates across the District. All Rotarians are invited to participate. Find the Listening Session nearest you or on a date you can participate in, attend, and help determine where the District should focus its efforts. Check the District & Zone Events window on the District website for the Listening Session and register to attend.

MAKE YOUR VOICE HEARD!

ROTARY INTERNATIONAL'S ACTION PLAN	
Increase our impact.	Expand our reach.
Enhance participant engagement.	Increase our ability to adapt.
