February is Peace and Conflict Prevention/Resolution Month. The Rotary Foundation plays a vital role in fostering global peace and conflict prevention through larger initiatives like the Peace Centers program and smaller ones supporting local projects. By empowering individuals with skills in conflict resolution and investing in community development, the foundation actively contributes to building a more harmonious world, where understanding and cooperation prevail over discord.

There is another reason February is very special in the Rotary calendar, it's because it includes the anniversary of the first meeting of Rotary! That meeting was held on February 23, 1905, now designated as the World Understanding and Peace Day! I encourage you to celebrate with your fellow club members this month, honoring the fellowship of a handful of men that led to a global organization of 1.4 million people, coming together in fellowship and service, and pursuing common goals, including peace.

Are you ready to become a Peacebuilder Club?

Here s WHY you should:

- **IMPLEMENT** Rotary's Peacebuilding and Conflict Prevention Area of Focus more powerfully in your club.
- **ADDRESS** the growing problem and danger of polarization and divisiveness that fractionalizes and stagnates societies, disrupts peaceful relations, and increases the potential for violence.
- **BUILD** stronger, more harmonious communities and a more peaceful world.
- **MAXIMIZE** the peacebuilding impact of every Rotary project in all seven Areas of Focus.
- **LEARN** and become proficient in advocating for sustainable societal peace through Positive Peace, the goal of Peacebuilding.

Rotary Club of Herndon-Reston Supports "She Believes in Me" | She is Healthy by Jane Nash

On Saturday, February 3, "She Believes in Me," marked a significant stride towards empowering young girls, a visionary program proudly supported by the Rotary Club of Herndon-Reston with assistance from their 2022-2023 District Grant. This initiative was designed not only to inspire confidence and resilience in young girls but also to equip them with practical skills and knowledge for their emotional and physical well-being.

The SBIM Event was enriched with an array of activities and contributions, notably including the assembly of first aid kits. Thanks to the Rotary's provision, each girl had the opportunity to put together a personal first aid kit complete with essential items such as band-aids, sunscreen, disinfectant, lip balm, and ice packs, among others. This hands-on activity aimed to instill a sense of preparedness and self-care among the participants.

A highlight of the day was a stretching class led by Rotarian Jane Nash, an embodiment of the event's spirit to nurture both mental and physical wellness. Through this session, Jane demonstrated the importance of relaxation and its benefits, offering the girls a tangible tool to manage stress and maintain a healthy balance in their daily lives. The Reston Lions Club also generously offered vision screening. Nutrition also played a key role in the day's agenda, with the provision of healthy snacks, including oranges and yogurt, ensuring that the participants were fueled not only with knowledge and skills but also with nutritious food to support their active engagement throughout the event.

Integral to the success of "She Believes in Me" were Rotarians Mary Williams, Elysa Birman, Vonda McRae, and Arti and Akhil Argawal, who served as mentors. Their involvement brought a personal touch to the experience, guiding the girls through the day's activities and fostering an environment of support and encouragement. Many thanks to Community Service Chair, Elysa Birman, for organizing the multiple items needed for the project.

The RC of Herndon-Reston's support for "She Believes in Me" through their district grant exemplifies their commitment to community service and empowerment. Events like these are crucial in providing young girls with the tools, knowledge, and confidence to face the world with assurance and ambition. It's not just about the practical skills they acquire, but also about nurturing a belief in themselves and their potential to achieve greatness.

Through Rotary's District Grant, our Herndon-Reston club is able to truly reach out and make a remarkable impact in our communities!

Annual Fund Report

Cheri Maea
Annual Fund Chair
cmAEA2000@gmail.com

We are over halfway through our Rotary year and as we help DG Rene to finish her year strong and prepare to support DGE Amelia through hers, I wanted to take a moment to reflect on the good that we currently doing our investment in the Annual Fund Share in the form of District Grants.

Rappahannock-Fredericksburg Club – Helping vulnerable girls and their families in our community. The club will provide financial and mentoring support at monthly life skills events for vulnerable girls in our community who are identified by local schools.

Warrenton Club - Providing Mental Health First Aid Training through the Mental Health Association of Fauquier for up to 50 participants with priority to include members of the RCW, then invite neighboring clubs to participate to fill the rest of the slots so we as Rotarians are first trained to provide mental health support in our Community Homes and offices.

Stafford and North Stafford Clubs– Combined funds to establish a library and Montessori learning center for resident children ranging in age from 2-25 years, teachers, and staff at Funacion Exodo orphanage in Olocuilta, La Paz, El Salvador.

Vienna Club – Supported Inclusive Pathways to Success (IPS) which is a trade school created specifically for young disabled adults in our community. IPS' goal is to train students ages 21 to 36 who have severe ADHD, autism spectrum disorder, intellectual impairment or learning disabilities to successfully work in the skilled trades by learning both hard and soft skills.

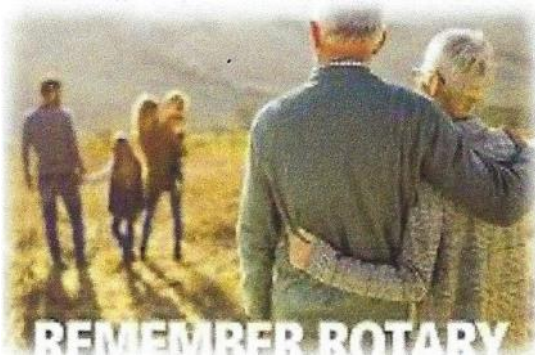

For 2024-2025 the District Grant amount will be \$3500 which will increase our ability to contribute to your club's area of focus. To keep this level of funding we will have to increase our current year's total goals and giving.

Below is a chart indicating where we are as a District - if you want assistance with goals or establishing this recurring donation email me at cmAEA2000@gmail.com. Together we can achieve our goals and support the good work of the Rotary Foundation.

The Rotary Foundation Endowment "Rotary's Tomorrow Depends on What We Do Today"

PDG Sandy Duckworth, Endowment Chairman

Every Rotarian has a legacy. Share yours today.

Here's How: The endowment fund provides perpetual support for Rotary's programs by supplementing annual contributions. The principal of a gift to the Endowment is never spent and a portion of the earnings is used to support the work of the Foundation. The ultimate impact of the Endowment Fund can make a major difference for The Rotary Foundation.

For example, a gift from your estate to the **Endowment** will provide ongoing financial support, just as your annual contributions do today. Join the many **Rotary** members and friends of Rotary who have made commitments to improving and enriching lives around the globe by creating your personal legacy with The Rotary Foundation.

Remember - Rotary's tomorrow depends on what we do today. Although direct contributions can be made to the Endowment Fund, normally most contributions to the fund are from provisions made from a person's will or living trust, life insurance policy, retirement fund charitable remainder trust, or a donor advised funds.

For more information download the Legacy Brochure <https://my.rotary.org/.../your-rotary-legacy-notification> or contact The Rotary Foundation Staff Member Laurie Menzel - laurie.menzel@rotary.org or District Endowment Chair Sandy Duckworth - pdg7610@gmail.com

On February 2, Punxsutawney Phil, who, legend has it, will determine whether we should bundle up for six more weeks of winter or prepare for an early spring, did not see his shadow, so hopefully we will be seeing an early spring. And, since

Spring is considered to be the season of renewal, perhaps now is the time to renew your dedication to The Rotary Foundation by becoming a Paul Harris Society Member. By pledging to donate \$1,000 a year as long as you are able you will enable The Rotary Foundation to support the life changing grants that it implements each year. The funds received from the PHS members are a vital part of The Rotary Foundation financial success. When you become a Paul Harris Society Member, you are presented with a certificate and a chevron as a recognition of your commitment.

If you wish to join the Paul Harris Society, please complete the form on the following page, or go to the online sign up form at rotary.org/phs and chose join.

I would be happy to attend your club meeting to speak your club about the Paul Harris Society. Please contact me at 301-518-7033 or rmccpa97@aol.com

Your Report from the PolioPlus Corner

By PDG Chuck Davidson

2023 Polio Case Totals. The chart below shows “near-final” 2023 case totals for wild polio and vaccine-derived polio. As of January 31, the number of wild polio cases in 2023 is holding at 12. But, as the footnote to the chart says, analytical laboratories are still working on samples obtained in 2023. And if one or more of those cases turn up positive for polio, they will count on 2023 totals.

Next-Generation Oral Vaccine. The recently fielded mutation-resistant oral vaccine, nOPV2, has obtained its final World Health Organization regulatory approval. This is the vaccine that should substantially reduce vaccine-derived polio cases, because its weakened virus component is far less likely to mutate into a virulent strain. Although some countries have been using it for over a year, this final approval will allow more countries to do so. Vaccine-derived case totals for 2023 are already turning out to be significantly less than in 2022.

Drumming up business! Local Punjabi drummer attracts kids and parents to polio vaccination clinics. Photo courtesy UNICEF/Pakistan.

Drumming Up Kids to Vaccinate. Lack of access is the principal reason for wild polio cases hanging on in the final two endemic countries. One way of combatting this in the Punjab district of Pakistan has turned out to be an unlikely method: drumming. Health workers there are using local drummers to play familiar tunes and attract children and their parents to vaccination clinics. This engaging and fun tactic seems to have struck a chord with local communities. Whatever works!

Cash Works, Too! Recent donations from the Governments of Japan, Spain, and Canada are already at work in fighting polio in Pakistan and Afghanistan. Such contributions provide political as well as financial support for this effort. Thank you!

Reminder: Health authorities universally use the calendar year, not the Rotary year, in reporting all of their efforts.

Calendar Year	2020	2021	2022	2023 YTD*
Wild Polio Cases	140	6	30	12
Vaccine Derived	1,117	702	883	493

*As of January 31, 2024 (WP: 6–Afghanistan; 6–Pakistan) [NOTE: 2023 totals are not yet final. Since labs are sometimes behind in analyzing samples, it’s always possible that cases analyzed as positive in early 2024 will still be charged to 2023 totals.]

Rotary Clubs Encouraged to Raise/Donate \$1,500 to The Polio Campaign in 2023-24

PDG Sandy Duckworth, PolioPlus Society Chair

This Rotary Year Clubs are asked to raise \$1500 for Polio. This can be done individually or by the Club. The PolioPlus Society (PPS) is an EASY way to reach that goal. All details and information about Polio and the PolioPlus Society program tools can be found on the Rotary website: www.rotary.org/polio

When we talk about PolioPlus, we know we are eradicating polio, but do we realize how many added benefits the program brings? The “plus” is something else that is provided as a part of the polio eradication campaign. It might be a hand-operated tricycle or access to water. It might be additional medical treatment, bed nets, or soap. A 2010 study estimates that vitamin A drops given to children at the same time as the polio vaccine have prevented 1.25 million deaths by decreasing susceptibility to infectious diseases.

Rotary and its partners also distribute soap and organize health camps to treat other conditions. “The pluses vary from one area to another. Depending on the environment and what is seen as a need, we try to bridge the gap,” says Tunji Funsho, chair of Rotary’s Nigeria PolioPlus Committee. “When they know something else is coming, reluctant families will bring their children out to have them immunized.”

As Rotarians, your contributions to PolioPlus help fund planning by technical experts, large-scale communication efforts to make people aware of the benefits of vaccinations, and support for volunteers who go door to door.

Worldwide there are currently only two countries that remain endemic, Afghanistan-6 cases and Pakistan-6 cases. We are very close to eradicating this terrible disease. Your donations and public awareness are making a difference, let’s keep up the momentum and reach our goal, so that no child must fear contracting polio.

You can donate and complete your membership by doing the following: Contribute with your credit card online at: <https://www.endpolio.org/donate>. *YES, all donations matched 2 to 1 by the Bill and Melinda Gates Foundation.*

THEN, Join The PolioPlus Society by completing the PolioPlus Society [Pledge Form available in www.rotary7610.org](http://www.rotary7610.org), [DACdb](#), [PolioPlus Society District Files Folder](#) and email it to District PolioPlus Society Chair Sandy Duckworth, Email: pdg7610@gmail.com.

If you would like to know more about the PolioPlus society, please contact me, Sandy Duckworth, pdg7610@gmail.com and I will be happy to work with you to set a date to speak to your club.
