CHAIRMAN'S LETTER

Dear Fellow Members of The Stafford Rotary Foundation:

Another Rotary year has passed and I am pleased to report that your Foundation has once again admirably fulfilled its mission to ***“Build a Better Community and World Through Humanitarian, Educational, and Charitable Endeavors”*** in support of The Rotary Club of Stafford. As you read this report, I think you will agree that through your willingness to share your time and treasure, we have made significant steps forward through Rotary's Avenues of Service.

Giving to the Foundation was strong and our Casino Night fundraiser was again successful in providing support for worthy projects. Also, we look forward to increasing resources in the coming year with the addition of a fall fundraising event.

Lastly, in addition to my thanks to you, our members, I would like to express my gratitude to the Foundation's Board of Trustees for their hard work and dedication this past year. Their work to modernize our operation will bear dividends for many years to come.

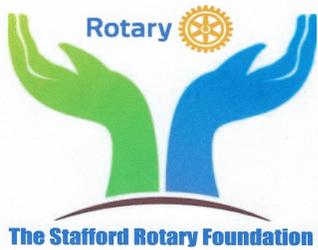

Yours in Service,

Jack Broome

ANNUAL REPORT 2016-2017

The Stafford Rotary Foundation had a busy and productive year in 2016-17. Among the highlights was our very successful participation in the creation of the Stafford Armed Services Memorial. The Memorial, which honors all those who have served or are serving in all past, present, or future conflicts, was dedicated in July, 2017. Other notable projects included our annual provision of dictionaries to every third-grade student in Stafford County; initiation of a new Interact Club at Stafford High School; continued the 50,000 meals food drive; and supported Habitat for Humanity's Honduras Habitat Build.

The Foundation Board dedicated considerable time and energy during the year to examining the structure and function of the organization with emphasis on updating and modernizing operating procedures, policies and organic documents. The Bylaws were revised, restated and amended to better reflect the present and future needs of the Foundation and the Club. New policies and procedures were implemented. This effort is on-going as the Foundation works to better serve The Rotary Club of Stafford and the community.
