What is Rotary?

It's busy people,
just like you and me,
working to make life just a little bit better
for others here at home, and around the world.

Rotary is ...

- Clean drinking water for people ...
- Vaccinations for millions of children ...
- Schools and books for children ...
- Health care for mothers and babies ...
- Peace and conflict resolution in communities ...
- Food on the table of families ...
- Good stewardship for our global neighbors ...

... that we'll never meet.
