PROGRAM LAST WEEK by Jeff Baumgardner

This past Monday another historic event in the life of the Rotary Club of Aiken took place. Since chartered on February 27, 1939 our Rotary Club has had an annual "changing of the guard". That first year the club was led by Benjamin Josey King. This past week 79th Club President John C. McMichael, Jr passed the torch to our 80th Club President Wilson "Will" M. Williams. John's "better half", Nancy was in attendance for this special occasion. John highlighted many of the club accomplishments and awards

this past year these being too numerous to name. A healthy scholarship program, 501-3C status, 85 Paul Harris Fellows, #1 in CART Fund contributions, Governor's Excellence Award Gold are just a few examples. All of these show the health of the club by the commitment of the individual club members to make a positive impact on the local, national and international stage. Thank you John for the commitment of "Service Above Self" which you so finely demonstrated this past year. Newly named Club President Will Williams will lead our group forward this coming year. Everything is in place to make this another banner year. Not to be accused of copyright infringement but I believe we are in "Good Hands".
