HISTORICAL PERSPECTIVE

By Owen Clary

TEN YEARS AGO - JUNE 2003

Our speaker in mid June 2003 was Don Demunds, executive director of the Aiken Center for the Arts. He told us about the \$1.5 million campaign to raise money for the renovation of their building on Laurens Street. The group was successful and the Center for the Arts is a great addition to Laurens Street downtown.

OUR PAST - "THE GEAR" JUNE 1993

The Board of Directors for our Club met and passed several actions for the club. One was to approved permanent badges for all members. (These are what we wear today). The Board, under the direction of President James Marvin, elected Bud Coward as Vice President and requested all Committee Chairman to have their reports to President elect Bill Tucker for the District governor's annual visit.

HISTORICAL NOTES AND FACTS

PROGRAM LAST WEEK

by: Jason Price

The Aiken Rotary Club greeted last week's program speakers, Cot and Anne Campbell, with rounds of applause and standing ovations, as they recounted Palace Malice's race to victory at the Belmont Stakes on June 1, 2013. The Campbells began their presentation by showing the club a taped rerun of the race. They

expressed their excitement as they watched another one of their prized Thoroughbreds march to the winner's stand. In 1990, the Campbell's Summer Squall won the Preakness and as his reward, Summer Squall received a couple of months of rest from racing in Aiken. Palace Malice will receive the same reward this fall after he races in the other highly esteemed Thoroughbred races around the country.

The Campbells shared that they were blown away by the amount of support that the Aiken community has bestowed on them, their horses and Dogwood Stables. The Campbells mentioned that when they lived in the Atlanta area, very few in their community noticed or acknowledged when their horses won big races. Contrarily, everyone in the Aiken area does notice and the Campbells are extremely grateful for the support.
