

Rotary Pickens Club

Meredith Oh Joins Pickens Rotary Club as a Third-Generation Member

The Pickens Rotary Club is proud to welcome Meredith Oh as its newest member, marking a significant milestone in the club's rich history. Meredith is no ordinary addition to the club; she is the third generation in her family to join Rotary, following in the distinguished footsteps of her grandfather, Ed Hutton Sr., and her father, Ed Hutton Jr.

A Legacy of Service

Meredith's grandfather, Ed Hutton Sr., was a respected member of the Pickens Rotary Club for over 20 years. Representing his business, General Insurance Agency, Ed Sr. was known for his dedication to the Rotary's mission and his commitment to the local community. His long tenure in the club left a lasting impact, both within the organization and throughout Pickens.

Following closely in his father's footsteps, Ed Hutton Jr. continued the family legacy of service by becoming an active member of the Pickens Rotary Club. During his time, Ed Jr. not only represented his construction and real estate company, JR Builders, but he also took on the role of club president in 2009-2010. His leadership and contributions further solidified the Hutton family's enduring commitment to Rotary and the values it upholds.

Continuing the Tradition

Now, Meredith Oh carries on the family tradition by joining the Pickens Rotary Club. Meredith represents JR Consolidated, a real estate investment company, and is eager to contribute to the community through Rotary's various initiatives. Her induction into the club is a testament to the strong family values of service and leadership that have been passed down through generations.

Meredith's involvement is expected to bring fresh perspectives and energy to the club, as she continues the legacy established by her grandfather and father. Her commitment to community service and professional excellence makes her a valuable addition to the Pickens Rotary Club.

Looking to the Future

As Meredith embarks on her Rotary journey, the Pickens Rotary Club looks forward to the contributions she will make, both in honoring her family's legacy and in forging her own path within the organization. The club is excited to see how she will further the mission of Rotary and make a positive impact on the community, just as her family members have done before her.

Meredith Oh's induction as a third-generation member of the Pickens Rotary Club is not only a proud moment for her family but also a significant chapter in the club's ongoing story of service, leadership, and community engagement.
