# June Activities Recap

## June 7<sup>th</sup> Pub Night

A.K.A. Cheesecake Night (3 members brought cheesecake!), Claudia and Kirk gave Classification Talks.

## June 21<sup>st</sup> Pub Night

Beau had us enjoying the first day of Summer by bringing supplies to make ice cream inside plastic bags. He explained the science of how it happens, and after we mixed and shook with ice-cold fingers, the tasty result was served with toppings.

## June 1<sup>st</sup> Service Project: Challenge Race Cars Tune Up

Challenge Race Series founder Leo Finnegan (far-left), with some of the 11 Club members that prepped the cars for this season's races (not pictured: Cassie, Chris, Fernando, Craig, Claudia).

Also participating were a half-dozen members of our Interact Club and two leaders from the Snoqualmie Valley Club.

**Our Club's race event is scheduled for Sept 17<sup>th</sup>.**

## June 14<sup>th</sup> at the Issaquah Depot Museum

Past scholarship winners Theo Koshar (left) and Arne Grette shared their experiences this past year, then received the traditional Boehm's chocolate bars. Theo's gap-year included hiking the 2,650 mile Pacific Crest Trail. His freshman year at Montana State University begins in August. Arne completed his freshman year in "the wilderness of New Hampshire" at Dartmouth College.

## June 28<sup>th</sup>

## Turning of the Wheel

Claudia served a multi-course Italian feast.

After honoring the leaders of this year's activities, members of the 2022-2023 Club and Foundation Boards were inducted with Mike Nurse as President.

Members gather for a farewell to 2021-2022 and a show of enthusiasm for the year ahead!
