Sept & Oct Board Meetings Highlights

- Reviewed lunch pricing with now higher meal costs. No change for now; continue monitoring.
- Reviewed Community Service spending plan that aims to build the Club's brand/public recognition by prioritizing unmet community needs & Youth.
- Approved District Grant proposal for renovation costs at The Teen Garage (case mgr. work space).
- Approved PR funds to update Club brochures.

- This year's focus on Youth includes Co-Presidents Janine & Gordon's goal to form an Interact Club.
- Cassie stepped forward as the Club's lead, having been a member of an Interact Club. She has been joined by two students whom are using the work of forming the club as part of their project-based curriculum at Gibson Ek.
- The team meets twice-weekly at the Teen Garage. Their workplan is to have a club formed in early 2022.
- Our Community Service committee has reserved funds to support the club's formation and early activities.
- Thanks, Cassie, for increasing our Club's focus on Youth!

October Activities

Pub Nights

Carl tells of his time in the rock concert business, dealing with some 4-Way Test type situations. And his Elvis souvenir jacket still fits!

Social Meeting with  **KIWANIS CLUB OF ISSAQUAH**

With over 20 Rotarians and 10 Kiwanians, it became SRO with food overflowing the tables. Humbled by losing Janine's Issaquah Trivial Contest, we regained our pride after John needed to inform Kiwanians the origins of the word "Kiwanis."

Bhavna presents the Club's first Tree-of-Life member appreciation award to Scott, noting his leadership of our Food Bank support.

Salmon Days

Without a parade route on which to hold our annual 5K Run, Craig designed a Salmon Days event that was an experience all groups enjoyed, while increasing our community presence. It proved very popular with a near-constant waiting line, even during Sunday's rain. A big thanks to Craig and all helpers! Thanks also to Dorothy for Banner Bank's sponsorship!

Student of the Month

Members and parents filled the School District's Board Room to kick off this year's Student of the Month program, recognizing World Language students.

Post Office Fall Clean Up

Heat wave damage repaired and Post Office grounds are lookin' good again.
