MEETINGS DURING THE MONTH

PINK DAISY PROJECT

Debbie Cantwell & Brenda Morris from **The Pink Daisy Project** talked about the need to help young women going through Breast Cancer Treatment. Both are survivors and friends since Kindergarten. The Pink Daisy Project isn't raising money for research or awareness. Their goals are simple: to help young women cope with the hardships of breast cancer treatment by providing care and comfort. The Interact Club gave us an their quarterly update on what they have been up to. They are planning a Clothing Swap. If you have any gently used clothing to donate, see Cassie.

COUNTRYSIDE FLORAL

John Throne from **Countryside Floral & Garden** gave an entertaining and informative presentation on all things flowers. We revisited floral designs through the decades as well as hearing about his party venue, Farm Fare & Floral. You can visit Countryside Floral [HERE](#) & Farm Fare & Floral [HERE](#)

Meet the FUTURE LEADERS! Student of the month honored those excelled in pre-vocational and career-related activities. We have a future Coder and a Future Cosmetologist.

Our quarterly committee chair and project report-out at Big Block.
