MEETINGS

Rotary offers continuing education on local and global issues, speakers from the core service areas, and social and service time with Rotarian families, friends, neighbors and community members.

RCMI meets the first and third Tuesdays each month starting at 12:30 pm at the Mercer Island Community Center for a one hour program. Lunch is usually available for members to purchase during the optional social hour preceding the meeting (or brown bag if you like!).

SOCIALS

In addition to Service, RCMI likes to have fun together too!

RCMI hosts member and family parties in the summer and holiday season and other socials to recruit new members and celebrate leadership/board service.
