*Special Guest Speaker SLADE  
GORTON: "Civil Discourse and  
the Road Ahead"*

It's a very profound privilege to share the important message of Slade Gorton. Slade has served the interests of those of us who live and work in the beautiful state of Washington, most of his adult life. While serving on the 9/11 Commission, those who served along side him, found him to be a gallant big brother and "a wise bipartisan consensus-builder." Nobody was ever

allowed to call him Senator when working for him, he was always Slade. He will be sharing his 93 years of wisdom, grace and a glimpse into the future with us.
