Subject: HAH Rotary Grant Award

Dear President Gilotti,

A handwritten signature in black ink that reads "DEBBIE".

Congratulations! Harvest Against Hunger, a program of Rotary District 5030 (HAH) is pleased to announce that the Mercer Island Rotary Club was chosen to receive a 2022 HAH Rotary Club Hunger Grant for your work to end hunger and address food insecurity in your community.

Enclosed, please find a check for \$1,000 made out to your chosen community partner, Mercer Island Youth and Family Services.

We ask that you contact MIYFS Food Pantry directly to arrange a check presentation at an upcoming club meeting or event. *Please also let us know the date that you will make the presentation. We would welcome an opportunity to join that meeting, either virtually or in person.* To highlight your partnership with MIYFS, we also suggest that you share this award with your Rotary and community network.

HAH has been working for 40 years to help end hunger in Washington and across the Northwest. This award initiative recognizes the exemplary work Rotarians and Rotary Clubs throughout the state are doing to help address hunger and food insecurity. The initiative awards winning clubs a donation made in their name to chosen community partners.

Please contact us with any questions regarding Harvest Against Hunger or this grant.

Yours in Rotary,
