# Suraiya Ataur Medical Clinic

A building for the clinic in Chondipur, Bangladesh was just an idea in 2014. Our Foundation donated \$10,000 in 2015 to help make it a reality.

How were we today?

My name is Alicia Chavez, since I have been coming here, I have been attended by beautiful personnel and the doctors are very honorable. They worry very much for the patients and only have very good things to say about everyone of the doctors. Thank you.

How can we change?

I see everything is very good and dont believe there is anything bad. They are honorable people who dedicate themselves to those that need help. GOD Bless all of you always, for me I appreciate you all very much. Alicia Chavez
