My goal is to dip into chilly Lake Washington, all the way up to my neck.
I am participating in the Lake Forest Park Rotary Polar Bear dip into Lake Washington. The funds will go towards the eradication of polio. www.endpolio.org Please sponsor me for my one-time dip into Lake Washington. You are invited to come to Sheridan Beach Club at 2:00 pm to cheer me on. Invite your family and friends to watch, gate admission is only $1.00. After the Polar Bear dip, I will return to collect your donation. Please make checks payable to LFP Rotary Charitable Foundation. Contributions are tax-deductible.
