

Club of Lake Forest Park

Membership Costs and Contributions

1. One-time fee:

Like many membership clubs, Rotary requires a one-time New Member Fee of \$50.00, and to the Rotary Club of Lake Forest Park. This is submitted with your membership application. This fee is waived during the pandemic.

2. Annual Membership Costs:

During the pandemic, our weekly meetings are on ZOOM. Quarterly dues are \$88.00. When our face-to-face meetings return, we will meet at the LFP Presbyterian Church. Quarterly dues of \$160.00 include 13 breakfasts from our Hot/Cold Breakfast Buffet.

3. Annual Contributions:

Our service projects are funded in several ways. Members are expected to participate in the general fundraising activities of the Club, which has been an auction for the last few years. In addition, each member is asked to make an annual contribution to:

- Rotary Club of Lake Forest Park Charitable Foundation
- The Rotary Foundation (TRF)

4. Additional Costs:

There are Club social events, such as the Changing of the Guard dinner or the Holiday Celebration which may have a cost.

5. Personal Contributions:

Most of all, we welcome the contribution of your time and talent! As two of your most valuable possessions, we promise to honor and utilize them well.
