

Club Members Recognized for Their Contributions to TRF

Story by Ed Kolybaba on Mar 12, 2021

The Rotary Club of Kelowna Sunrise and The Rotary Foundation were honoured to have the opportunity to congratulate and acknowledge Jane Fletcher and Norm LeCavalier for their continued contributions to The Rotary Foundation. Both members were the recipients of a PHF+1.

Bill Hawkins, Assistant District Governor for Area 6 of District 5060, while attending the club's March 11th meeting, officially recognized the achievements of both Sunrise Rotary club members; and had it been a live meeting, rather than a virtual zoom club meeting, he would have presented both members with a lapel pin signifying their achievement.

While addressing the club members, Bill expressed how important The Rotary Foundation was in responding to humanitarian needs around the world, and how contributions from members like Jane and Norm enable this to occur.
