

Club's 2024 Installation Dinner and Program Captured on Video

Story and Video by Ed Kolybaba on Jun 28, 2024

On Monday, June 17th, 2024, the Rotary Club of Kelowna Sunrise held their 38th Annual Installation Dinner. The program included the welcoming of Rotarians and guests and a buffet dinner before the program commenced with a review of the 2023-24 Rotary Year's accomplishments by out-going 2023-24 President Colleen McEwan.

The celebration of the 2023-24 Rotary Year included the presentation of awards to outstanding members of the club who had provided exceptional leadership. McEwan awarded Shirley Gingras with the Dale Frandsen Award and Mike Wright with the Rotarian of the Year Award, before turning over the microphone to Lynn Spence, 2023-24 Membership Director, who then recognized Brian and Dawn Wrightson as Honourary members of the club for their long term highly active involvement in almost every aspect of committee leadership.

The evening program concluded with the installation of the 2024-25 President, executive members and directors, before in-coming President Bill Anderson addressed the gathered Rotarians and guests.

The abridged version of the evening events captures many of the special program features. Simply click on the [https: address](https://youtu.be/L5kYe91mYmA) to view the video.
