

## ***Welcome Back Christy!***

**Story by Ed Kolybaba on Apr 12, 2023**

Christy St Jean is pleased and excited to be back with the Rotary Club of Kelowna Sunrise for the third time since her first induction in February of 2018. On March 31, 2023, Christy was inducted into the club for the third time.

Career opportunities and changes which resulted in moves from a number of different banking institutions in several different locations, along with her personal life experiences, provided her with reasons to cease membership with the Kelowna Sunrise Club on several occasions. Even with these career and life experiences, she continued serving through Rotary in Prince George and Surrey which clearly illustrated that her heart was always with Rotary.

Christy served as a member of the Kelowna Sunrise from Feb 09, 2018 to Dec 17, 2018; and then again from Jan 26, 2019 to Jun 02, 2020.

After a successful career focused on banking and financial planning services since 2017, Christy recently accepted the position of the Branch Manager of Bernard Avenue Scotiabank in Kelowna.
