- Peacebuilders in Action
- Colville Peace Pole Dedication
- Youth Peace Action Virtual Gathering for Interactors & other Youth Groups
- Recreational Activities
- Home Stay
- Home Hospitality
- Socialization and Celebration with other Rotarians and Friends!!
- Inspirational Speakers and Great Entertainment

District 5080 Conference and Celebration is a Family Friendly Event

This long-awaited event will usher District 5080 Rotarians and their families out of the difficult times we have endured of late, and into a brighter era. We aim to make this event welcoming for Rotarian families, and fun for all who attend.

What is a family friendly event?

Kids are welcome at mealtime, if they are registered (\$10, 18 and under).

There will be places to run around and play outside.

We will set up locations in the back of the presentation hall for kids to read, draw, watch a device with headphones, or play quietly if their parents are attending the presentation. We plan to have charging stations available for devices.

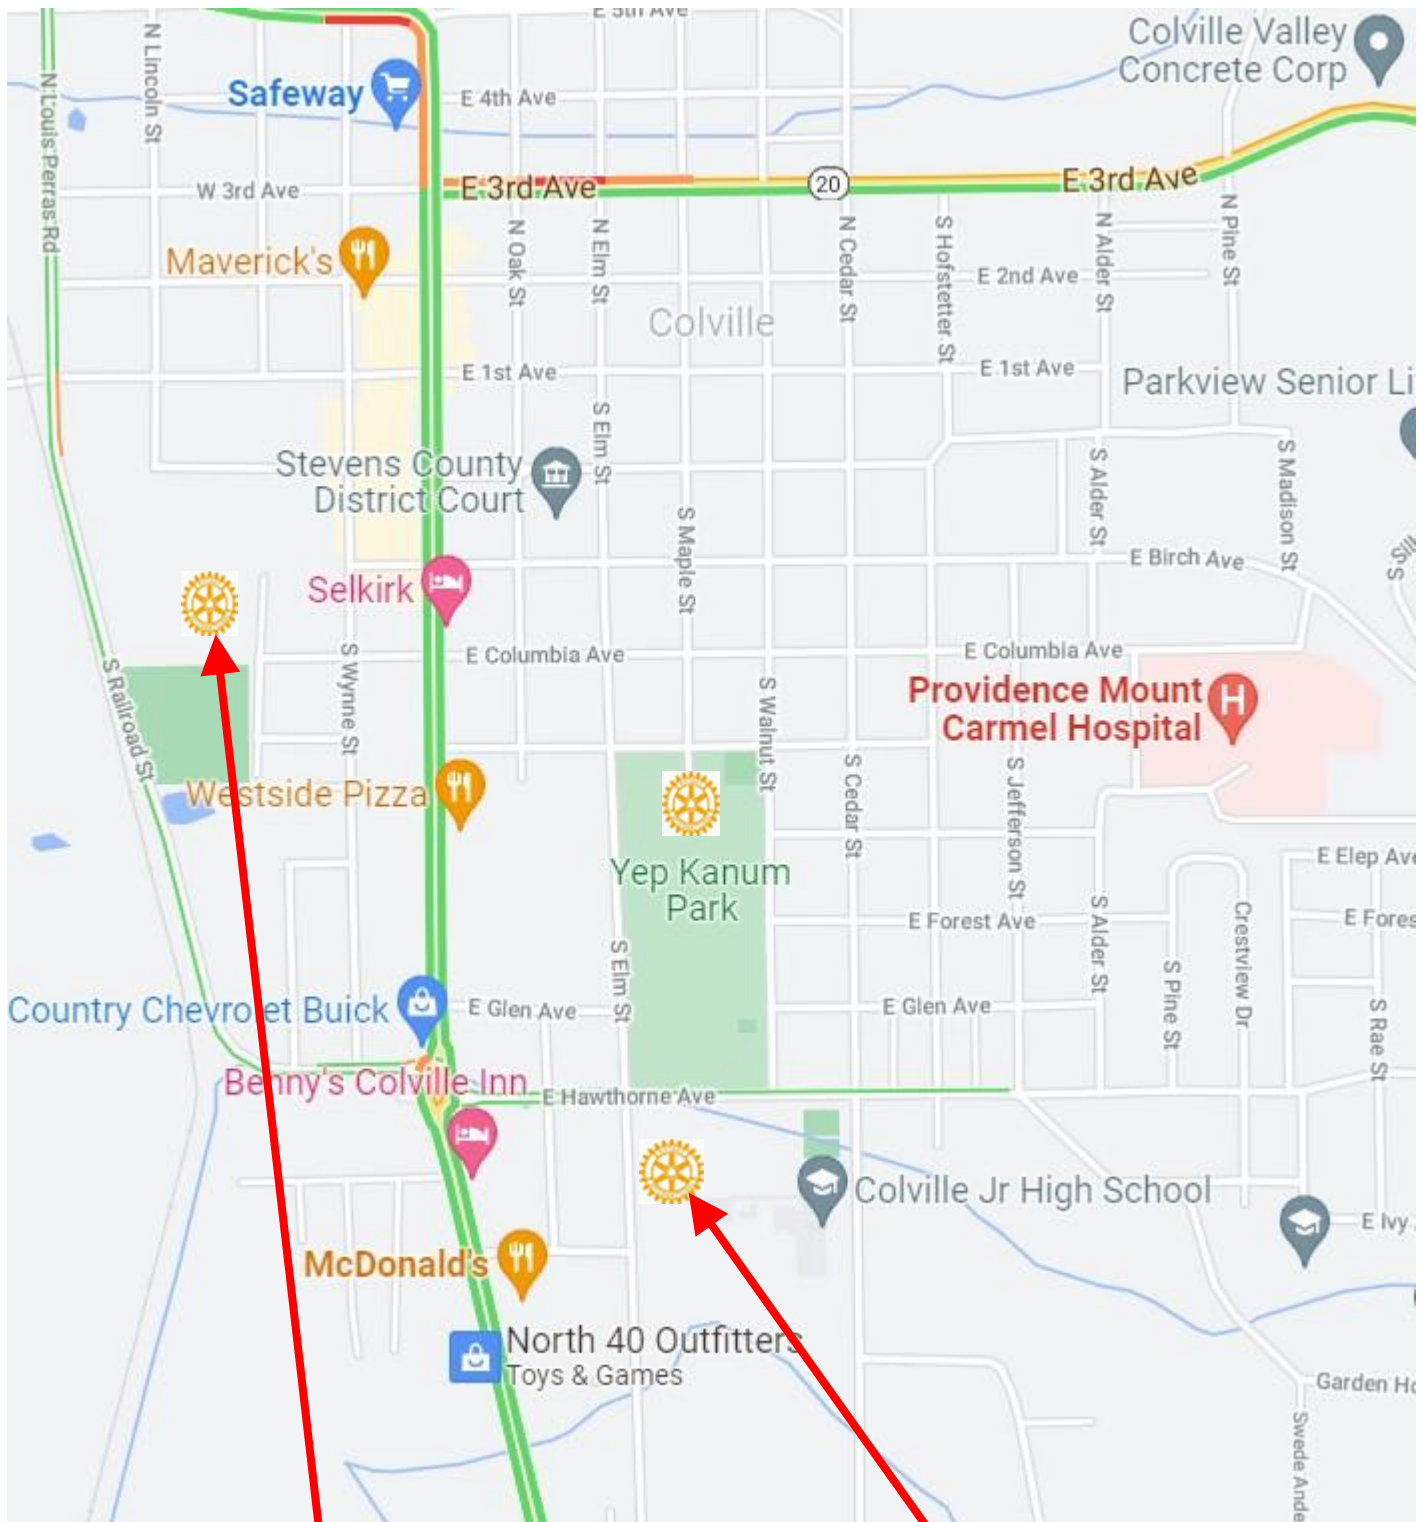

We will not be providing childcare but hope that having kids welcome in just about all the venues will make this a great event for everyone!! Please note that partners and children of registered Rotarians must also be registered in order to be admitted to meals, with the exception of Friday night's home hospitality.

The fairground has a dedicated spot for kids (Kid City) that will be open and staffed during certain hours.

Our Friday night home hospitality program includes the option to register to attend a family barbecue in one of our parks where there is play equipment and room to move around, complete with kid-friendly food!

Our Saturday evening program features the Drum Brothers and dancing to their fabulous rhythms, something the whole family can enjoy!

There will be a limited number of Home Stays available, and kids will be welcome at most of them. Register early to snag one of these!

Rotary District 5080 Annual Celebration Covid Protocol

COVID protocols have changed:

Revised COVID Protocol for D5080 Conference scheduled for May 12-14, 2022

April 7, 2022

COVID-19 has wreaked havoc with our lives, kept us from meeting in person and killed nearly 1,000,000 US Citizens and nearly 38,000 Canadians since March of 2020. While it appears that we are “out of the woods,” we have been there before with this virus, and new variants are likely in the future. Therefore, we must approach decisions regarding COVID Protocols with caution and with flexibility, while keeping abreast of the current regulations faced by travelers.

For US Citizens:

Although vaccination is not required, we strongly recommend that everyone attending this conference be vaccinated. People who have completed the COVID Vaccination series and have had the recommended booster shots have a much lower risk of severe illness and death from COVID-19 compared with unvaccinated people.

Our district is an international one, and roughly half of the conference participants must travel across the US/Canada border to attend. Since unvaccinated Canadians must be tested when entering the US, and tested and quarantined upon their return to Canada (at their own expense,) it is likely that most (though not all) of our Canadian attendees will be vaccinated.

Any US citizen who chooses to attend but is unvaccinated is asked to test prior to the conference (a home test is acceptable): if you test positive within 72 hours, please stay home, in fairness to unvaccinated or immunocompromised folks attending.

For Canadian Citizens visiting the US:

All travellers MUST download and complete the ArriveCAN app before travelling. [Create your free ArriveCAN Account](#)

As of April 1, 2022, the US allows FULLY VACCINATED Canadians to travel into the US without a negative test. As of April 1, 2022, Canada has lifted all testing requirements for FULLY VACCINATED Citizens returning to Canada. Random testing MAY be assigned at the border. However, anyone who is PARTIALLY VACCINATED (less than two doses of mRNA vaccine) or UNVACCINATED must test before crossing back into Canada and must also take a test upon arrival and 8 days after arrival, AND quarantine for 14 days. (This does not apply to children under 5)

Upon Arrival to the Conference:

As of April 1, 2022, our COVID transmission level in Stevens County (and in all of Washington State) is LOW (less than 10 COVID hospital admissions/100,000 population over 7 days). Mask wearing is no longer required in public indoor spaces, except for public transportation and air transportation. However, immunocompromised individuals might want to wear a good quality mask for additional protection.

It is possible that the disease situation and/or border requirements may change between now and May 12. We will provide an update when/if that occurs.

Contact Level Colors

We will also be providing you with a choice of red, yellow, or green stripes on your name badge to help you indicate your level of physical contact comfort to other people. If you prefer no physical contact with other attendees and want to keep your distance, select the red option. If you are cautious about physical contact, but okay with an elbow bump for greeting, yellow is your color. And green indicates that you are comfortable with physical contact such as shaking hands, or a hug.

Yours in Rotary

Become A Master of Disaster

Emergencies and natural disasters are occurring at an alarming rate. We have all seen the news depicting scenes of flooded buildings and homes that have been destroyed by tornadoes, hurricanes, earthquakes, and fires. Nature's destruction is an ominous force, and we can take steps to learn how to mitigate and respond to aid victims of this terrible devastation. Learn how to get involved to make a difference in the lives of the survivors.

District Spring Assembly

May 13th (PDT)

Spokane Community College, Colville Center

09:45 am – 10:45 am **Room 104**

Presenter: Gary Bowe, District Treasurer

You and your club's Financial Success

Learn about the timing and requirements for timely payment of RI and District billings. Do you have an obligation for annual filing with the IRS in the US? We'll also discuss the DACdb finance module to determine if this is an option for you. We will briefly discuss the difference between 501c(4) Rotary Clubs and 501c(3) charitable organizations and the important rules to fundraising.

Keynote Speaker

Lorelei Higgins

Peace Fellow

IEP Peace Activator

Métis Canadian Cultural Mediator

Indigenous Relations Strategist

Lorelei Higgins was selected to receive a 2019, District 5360 Rotary Peace Fellowship. She was accepted to the Professional Development Certificate Program at Chulalongkorn University, Bangkok, Thailand, a 3-month certificate program from January 14 to April 5, 2019.

Her background that shaped her to become a candidate for the Peace Fellowship includes her Métis roots and her unforgettable experience as a Rotary Youth Exchange Student to South Africa, post-apartheid. Lorelei obtained a Bachelor of Arts from the University of Alberta, majoring in Political Science and International Relations. She has an MBA from Royal Roads University majoring in Executive Management and Leadership. Lorelei gained extensive experience by serving an internship with the Department of Foreign Affairs and International Trade in Bolivia and subsequently worked as a team leader and program officer for Ghost River Rediscovery (the NGO for which she interned) and oversaw administration of programs around the world. She speaks Spanish and French fluently. As well as extensive community service and volunteerism, Lorelei has participated in prestigious national leadership programs, most recently with the Governor General's Canadian Leadership Conference. This has strengthened her skills as an effective leader and communicator.

Lorelei is presently employed with the City of Calgary, as an Indigenous Relations Strategist. Her mandate is to develop the City's Indigenous relations portfolio in light of the 2016 Truth and Reconciliation report. This includes the development of a Calgary Indigenous Relations Office. Lorelei is married with 2 children.

Interactors interested in
MAKING THE WORLD A BETTER PLACE FOR ALL.

1. Sharing your success – what has your Club done?
2. What barriers, fears, or concerns for the future do you have?
3. What are your ideas or vision for the future – a baseline issue about which you are passionate?

This Program is restricted to Interactors Only

Recreational Activities

May 12th, Afternoon, (PDT)

<u>Activity</u>	<u>Location</u>	<u>Time</u>															
<u>Golf</u> Come and enjoy a beautiful and relaxing afternoon of golf on the newly revised Colville’s Dominion Meadows Golf Course. Our 18-hole layout is a very playable 6,743 yards. The slope rating is 125 with a course rating of 72.3. There is a full-length driving range and a practice putting green on site. A large new outdoor deck has been added to our bar and more than 20 new pot bunkers have been added to the course in addition to several rebuilt tee areas and fairways. These upgrades have made this course one of the most beautiful and enjoyable courses in Eastern Washington. Pick your own foursome or opt to be paired with other Rotarians from throughout the district. There will be no formal competition, just a fun and relaxing afternoon of golf and socialization. Rotary has reserved as many tee times as needed to accommodate our district conference participants. Tee times will start at 12:00 noon on Thursday, May 12. Call 509-684-5508 to reserve your time or to leave your name to be paired with other Rotarians. Call Phil Stalp (509-675-3131) for any additional questions you might have about the afternoon golf activity. Weekday greens fees are applicable for this event and are as follows: <table><tr><td>Regular</td><td>18</td><td>\$31.00</td><td>9</td><td>\$22.00</td></tr><tr><td>Senior (60+)/College</td><td>18</td><td>\$29.00</td><td>9</td><td>\$20.00</td></tr><tr><td>Cart Rental (Subject to Availability)</td><td>18</td><td>\$36.00</td><td>9</td><td>\$20.00</td></tr></table> Greens fees are per player and are payable to the Dominion Meadows Golf Course.	Regular	18	\$31.00	9	\$22.00	Senior (60+)/College	18	\$29.00	9	\$20.00	Cart Rental (Subject to Availability)	18	\$36.00	9	\$20.00	Dominion Meadows Golf Course	12:00 pm

Senior (60+)/College	18	\$29.00	9	\$20.00													
Cart Rental (Subject to Availability)	18	\$36.00	9	\$20.00													
<u>Road Biking</u> A road bike ride is planned for Thursday afternoon starting at 2 pm from the NEW fairgrounds. This is the site of the convention. The ride will last about 2-2.5 hours and cover 20 miles. The route will be on paved roads some with chip seal. The route will have 700-1000 feet of elevation gain. Road or gravel bikes would work best. You must provide your own bike and flat repair kits. Clothing for cool wet weather would be wise to carry. Bring water bottle and a snack. The route will be rolling with farms, woodlands and streams along the way. The ride will be limited to 12 people. Helmets are required	Northeast Washington Fairgrounds	2:00 pm															

Recreational Activities

May 12th, Afternoon, (PDT)

<u>Activity</u>	<u>Location</u>	<u>Time</u>
<u>Mountain Biking (e-bikes)</u> Single Track Mountain Bike Ride. For experienced mountain bikers. Colville Mountain offers miles of winding single track that is quite steep and narrow in some places but offers great views and a lot of fun. An e-bike is highly recommended because of the overall climb. You must provide your own bike and the ride is limited to 8 riders. The ride will start at 2pm from the Colville High School Parking lot. Contact Jerry McKellar for more info: 509-680-2618 Helmets are required.	Colville High School 154 Highway 20 E	2:00 pm
<u>Gravel Biking</u> This ride will last approximately 2 hours and cover 15 miles. Gravel or mountain bikes work best on the mostly hard packed dirt and gravel roads. We will drive around 10 miles to the Little Pend Oreille Wildlife Refuge. This is a leisurely ride about 1000 feet of elevation gain past lakes and wooded areas. Bring flat repair gear, clothing for changes in weather as cold and rain can occur in May, water and a snack. The ride is limited to 12 people. Contact Mike Basehart for more info: 509-675-2611 Helmets are required.	Adventure Peddler Bike Shop 161 E 3 rd Ave, Unit C	1:00 pm
<u>Tennis</u> Limit: up to 8 people. Play will be singles or doubles depending on the number of participants. Bring tennis balls and a racquet. Contact Tom O'Brien for more info: 509-684-6644	356 E Dominion Ave, Colville	3:00 pm

Recreational Activities

May 12th, Afternoon, (PDT)

<u>Activity</u>	<u>Location</u>	<u>Time</u>
<u>Pickle Ball Fun Scramble</u> All level and abilities welcome. First 15 minutes will be introductions, warm up and assignment of numbers Pickleball is a sport that is similar to ping pong, tennis, volleyball, basketball and ballet...ok so maybe not ballet. Things to bring: <ul style="list-style-type: none">• Paddle if you have one (If not one will be available)• Court shoes• Comfortable clothing (shorts, sweats, tights, t- shirts)• Water• Good attitude There are 4 outdoor courts that will accommodate 20 players. Players will be given a number and play will proceed in a manner that allows all players to play with different people. Instructors will be Joni Holliday and Paula Basehart Paula Basehart Instructor, Adult Education SCC Colville Campus 509-685-2132	Spokane Community College	2:00 pm
<u>Hiking Colville Mountain</u> <u>For hikers with at least moderate fitness levels.</u> This hike, which contours up Colville Mountain on the south face, offers beautiful views, possible bird and wildlife sightings (I have seen mule deer and white-tail deer, coyotes, black bear, grouse, eagles, hawks, wild turkeys and many songbirds on this trail) and a nice variety of wildflowers. With both overlooks, it is a 5.4-mile hike with an 855-foot ascent (and descent). We will car-pool the short distance to the trailhead as there is limited parking available at the trailhead. Bring a hat, sunscreen, binoculars, and water and wear good hiking shoes. Poles are not required but might be helpful during the descent. Contact Leslie Waters for more info: 509-675-5900	Colville High School 154 Highway 20 E	3:00 pm

Recreational Activities

May 12th, Afternoon, (PDT)

<u>Activity</u>	<u>Location</u>	<u>Time</u>
<u>Hiking Mill Butte</u> Location: Little Pend Oreille National Wildlife Refuge Description: Enjoy a moderate hike with only a 637-foot elevation gain on a well-maintained trail to Mill Butte on the Little Pend Oreille National Wildlife Refuge. It is one of the rare upland, forested wildlife refuges in National Wildlife Refuge system. Most federal wildlife refuges are large wetlands inhabited seasonally by waterfowl. This hike has some slight grades as trail climbs gently through an open Ponderosa Pine forest on a flat ridge above the Little Pend Oreille River for a couple of miles, followed by a short, gentle push to the top of Mill Butte where the view takes in miles of forests, and then winds down a draw on an old road back to the headquarters parking lot. It is 12-13 miles from Colville and the length is a 4.2-mile loop with approximately a 600 ft. elevation gain to Mill butte. Contact Jay Shepherd for more info: shep9737@gmail.com (208) 420-7832	Community College Parking lot across from City Park	1:00 pm
<u>Star Gazing</u> This event will be limited to 15 participants. It will be held at Katie Schuerman's field (outdoors), about 10 miles east of Colville. Bring warm clothing as it cools off after dark! Our presenter will be Joe Bruce, who is beginning his 15th year as a NASA/JPL Solar System Ambassador. Joe will begin the star party using an 11inch tracking telescope to explore the Moon. During our time viewing the Moon we will discuss its formation which occurred at a little over 4 billion years ago. After the Moon we will look at more distant deep sky objects such as the Hercules Cluster or M13 star cluster that is so distant that the light we are seeing left there over 22,000 years ago. Another beautiful night target we will view is the Whirlpool Galaxy which is over 22 million light years away. The Whirlpool and its companion galaxy are gravitationally bound, much like our own Milky Way and Andromeda Galaxy. Our next stop will be M81 and M82. These galaxies are just over 11 million light years away and are each made up of billions of stars. Joe will also have a Martian meteorite and a nickel/iron meteorite to view and touch.	Katie Schuerman's Field 959 Karl's Way Colville (509) 684-8830	9:00 pm

Recreational Activities

Various Dates and Times (PDT)

<u>Activity</u>	<u>Location</u>	<u>Time</u>
<u>Yoga</u> <p>Yoga is the union of body and mind. Through action and rest, breathing and mindfulness, we tap into the energy of life and, bolstered from the inside, we carry that clarity with us into our relationships, actions, desires, and intentions. What better way to start our days together at the District Conference than in union, in service and in fellowship through yoga. Please join us!</p> <p>All classes are beginner/intermediate level. All equipment is supplied. (bring your own mat if desired and convenient).</p> <p>Cost: \$10 per person, per class. Home Hospitality

Friday, May 13th

Home hospitality is an event that many Rotarians have said is the best part of a conference. A local Rotarian opens their home on Friday night, for a specified number of guests, for dinner and fellowship. The host creates the menu and prepares the meal.... the host may ask the guest to bring something but that is not necessary. The guest will be from outside of the local club. This allows Rotarians to get to know other Rotarians from around the district and share fellowship forging new friendships.

We do ask for allergy restrictions to food and pets at registration.

when we eat
Together

Home Hosting

Thursday, May 12th to Sunday, May 15th

Home hosting is where the local club members or community members open their home for our visiting Rotarians to stay during the conference. This is a great way to get to know a fellow Rotarian and cut the cost of the conference. Guest will be paired up to homes that are most compatible with them.

We do ask for allergy restrictions to food and pets at registration.

You have indicated an interest in home hosting. We have a limited number of homes available for hosting, which will be assigned on a first come, first served basis, so please get your request in early!

Thank You

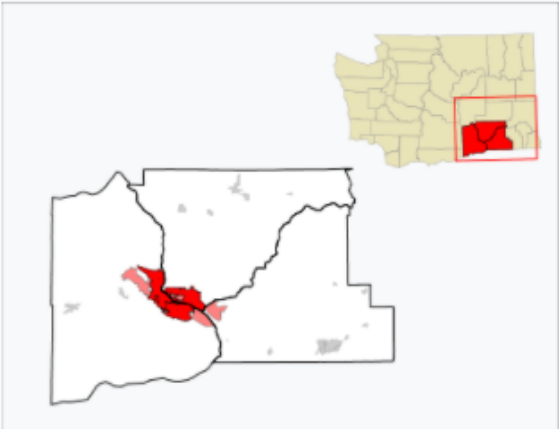

The District 5080 Annual Conference & Celebration Committee would like to thank you for attending the 2022 District 5080 Annual Conference and Celebration.

We hope you enjoy your stay in Colville and have the opportunity to renew old friendships and make new acquaintances.
