

Albina Rotary Club Zoom Meeting

August 19, 2020

Members Present: Bob Rosenkranz, Yasuko Fields, Jennifer Harbick, Tom Jenkins, Byron Kellar, Frances Moore, Lisa Pickert, Craig Lewelling, Erin Thomas

Invocation - Bob

Program – Lisa Allen, Assistant Governor introduced Jo Crenshaw, District Governor. She shared her ideas and goals for the year. She encouraged the group to be focused on adding new members. She encouraged members to join the Foundation. She stressed local service as well as global service. She reminded us that the power of Rotary can often be the power of a group supporting an individual, such as when her Rotary group supported the reading program that she had started at her McDonald's store. She asked that we all think about how to market our clubs, particularly to younger members – to “cross that bridge”. She then asked for input from our members about why they joined Rotary and why they stay. Frances, Lisa and Becky were selected by Bob to respond. Jo also shared information about the new Diversity, Equity and Inclusion Task Force and reminded us about emails coming out from this group, including a link to a listening meeting that was mentioned in the most recent District newsletter.

The meeting closed at 12:55 PM. Our next meeting will be at noon on August 26.

Respectfully submitted,

Lisa Pickert, 2020/21 Secretary
