

Albina Rotary Club Zoom Meeting

November 4, 2020

Members Present: Becky Black, Mark Cooksey, Yasuko Fields, Don Jones, Byron Kellar, Frances Moore, Lisa Pickert, Bob Rosenkranz, Erin Thomas

Non-members Present: Carol Lundgren

Zoom Glitch lost Lisa.

Chatted about guests and whether we continue with racial equality. Another suggestion was we usually have guests who are recipients speak about what has been done. We agreed that this should be included.

Becky Reported that she has received money from Albina Rotary which was given in the name of the club to a student who has been living in her car. Tuition was granted to her through Mccoy Academy for a scholarship.

Mark brought up our fund raiser in which we auction off a cabin. It was agreed we would ask members to contribute what they would have spent at the auction, sell raffle tickets and auction of the condo or condos.

Byron and Don both talked about the food baskets. For Covid Safety reasons Fred Meyer can not have Albina Rotarians or its guests putting together food baskets. Fred Meyer will deliver the food only to Head Start who will currently put out 130 boxes (for 65 families). The motion was seconded and voted on and passed.

However, that leaves unaccounted for in our grant budget and unserved.

10 boxes for Mccoy Academy unfilled (or (or 5 families which is ten boxes)

5 families which is ten boxes)

10 boxes for Community Service Inc. (or 5 families which is ten boxes)

10 boxes for Our House. (or 5 families which is ten boxes)

Albina Rotary has contributed \$4000. District 5100 \$2500 and \$500 contributed by Kent which is \$7000.

Don will communicate with Amy of Fred Meyer and see if head start will deliver to the additional 30 families.

Francis will communicate with District to see if we can't service some of the 30 families if we can only return moneys to district in the amount of what head start cannot deliver for us.

We ended with the four way test.

Bob Rosenkranz
