Non-members Present: Sara Thompson - speaker, Carol Lundgren - guest, Andy Roberts – guest from Wymondham, UK

Presentation: Sara Thompson, an employee of Neil Kelly Company, shared information about social media and the phenomenon of the role of the “Influencer”

It was announced that Charles Schwab has made a memorial gift in honor of Kent Walton’s family members by donating \$500.00 for the Holiday Food Box project.

Erick Ibarra from Charles Schwab also made a general donation to our Club for \$500 and the Club voted to provide that funding to the Holiday Food Box project as well.

Bob shared that the Kenya Keys program sent him a video of a student thanking us for the financial support. Bob will try to share the video with the group. In addition we will post the video on our website.

As Lisa shared an Invocation focused on Veterans Day, Andy explained that it is called Remembrance Day in England.

The Meals on Wheels Program requested \$500.

The grant that our Club received from the District for our Holiday Boxes Service project has to be returned because we are unable to assemble the boxes ourselves and the grant requires Rotary participation.

Frances moved and Byron seconded to provide \$500 from the Foundation Budget for the Holiday boxes to compensate for the funds from the District. All in favor.

Those involved in the Holiday Boxes will try to get Fred Meyer rewards points for the money being donated. Frances asked about what volume of rewards points we’ve received in the past. Mark to find the information.

Margie moved to approve the November 4 minutes. Mark Seconded. All in favor.
