Erin gave an update on the Nepal Global Grant. This had been in our budget then got accidentally dropped out of this year's budget. Originally was put in the budget for \$1000.00 as an international donation. Frances moved and Tom seconded to pay the \$1000 out of this year's budget. All in favor.

Erin also gave an update on her family's plans for moving to Belgium. Right now it is tied up in red and Covid tape. She plans to remain active in our club through the end of this fiscal year.

Susan Cooksey notified us that - RI just approved money for the water quality education project in Seour, Cambodia.

A total of \$5000 was the final amount budgeted for the Holiday Box program, thanks to contributions from Kent Walton and Erick Iberra.

Shelter Box – Byron is in contact. He received something from them last week.

Meeting adjourned at 12:58.

Respectfully Submitted,
