**November 25, 2020**

**Members Present:** Mark Cooksey, Yasuko Fields, Don Jones, Craig Lewelling, Byron Kellar, Frances Moore, Lisa Pickert, Bob Rosenkranz

**Guests Present:** Andy Roberts – guest from UK Rotary Club of Wymondham

**Presentation:** Andy spoke about his Wymondham Rotary Club and his experience as a Rotarian.

Bob received an email inquiry from Susan Cooksey regarding the water quality project in Seour, Cambodia. The Foundation had approved funding approximately 3 years ago. It is in our Foundation Budget. Mark to send check. Bob also asked if our club should have a designated ICS representative. Frances stated that she felt we were too small to have one, instead we will just have the Foundation Board respond.

Frances sent out an application to the NE Community Clinic and is waiting to hear back.

Don reported that fifty \$100 gift cards were the final result of our efforts to somehow make our traditional Holiday Boxes program happen. Frances suggested sending a thank you card to Mr. Iberra for his Holiday Basket contribution as well as a thank you card to Amy at Fred Meyer for all her help this year, pivoting from baskets to gift cards. Lisa thanked Don for all his hard work on ensuring that the Holiday Basket program happened, one way or another ie. Despite Covid.

Bob asked that we put the Albina Rotary Website on the agenda for next week, so that we can all take a look at it.

Meeting adjourned at 12:58.

Respectfully Submitted,

Lisa Pickert
