Non-members Present: Andy Roberts, Rotary Club of Wymondham

Business:

● Bob shared that Dana Clark would be presenting tonight on Zoom to Club Presidents, providing an update on human sex trafficking. All are invited to join meeting. Becky reminded the group that one of our Interact members worked on this issue with Dana in the past. Bob suggested that we invite her to give a presentation at one of our upcoming meetings. Lisa and Bob to pursue.

● Bob shared his continued concern about not sharing membership fees on our website. After discussion by group, the following proposal for language for our Club website was moved by Lisa, seconded by Margie and approved by all:

Current Due Structure:

1st year – Club pays your dues

2nd year – RI/District Dues only

3rd year – member pays all

● It was also suggested that after membership descriptions (Corporate or Individual), the website viewer could click to another page with benefits (ex. Leadership skills).

● It was suggested that if not already on website, the website links on the full list that Byron has written of our activities be included on the website so that folks could click through our website to learn more about the organizations we support

● It was suggested that we add a Purpose statement for the Club on the website, along the lines of helping people in N and NE Portland.

● Bob to send in writing to all his further ideas regarding language about club membership

● Lisa shared that she will be meeting with our Web Developer today at 4 to go over last week and this week's suggestions for improvements to the Club Website.

● In preparation for the 2021-22 Rotary Year and per her Pre-PETS training, Lisa lead the group in a discussion of those positions we want/need to elect.
