Program: Brittany Morris provided an overview of the Community Cycling Center. The Center is located at 1700 NE Alberta in Portland. Brittany shared her personal path of ending up in her dream job – that of a professional fund raiser for the Cycling Center. She told about the various programs at the Center:

- With Food Assistance Card – 30% off services
- Pay It Forward - \$20 donated pays for the next person in with a flat
- Community Bike Drive – deliver 50-75 bikes to children in need
- They deliver food by bike to approximately 200 families each week
- All their bikes are donated, repaired in-house as part of their bike repair training program then the profits go back into the business

Business

- Bob asked to discuss the fee structure for Corporate membership. He wasn't happy with nor remembered that a decision had been made at the previous week's meeting (see minutes 2.10.2021) to not offer any discounts on Corporate membership like the 3 yr tiered program for individual memberships. Bob moved that we adopt 3-year stepped payments for corporate members, but there was no second. Then he moved that we adopt 3-year stepped payments for Corporate Plan A members. Margie seconded the motion. Mark said that he wouldn't vote without seeing a written statement of the motion under consideration--and it was agreed that Frances and Bob would work together to prepare one for the next meeting.
- Margie hasn't yet learned if Tom's Sun River condo would be available for our fundraiser. She mentioned that the SE Portland club just had a fundraiser with one prize. They printed 200 tickets for \$100 apiece, and selected one as the winner.
- Lisa said that the NK cabin in Parkdale was available as part of the fundraiser as well.

The meeting closed at 1:15 PM. Our next meeting will be at noon on July 8.

Respectfully submitted,

Lisa Pickert, 2020/21 Secretary
